Once expressions of interest were received, the Evaluation Panel members signed a further CoI declaration against the list of potential Bidders. One conflict of interest was identified by Nita Hughes who is working on an interim basis as Continuing Healthcare General Manager with West Hampshire CCG. Nita declared that she is a Non-Executive Director of CHC Direct Ltd and has not been included in any part of the evaluation process and has had no involvement in the writing of the service specification. For all future placements, Nita Hughes will not be included in any mini competitions off of the framework and will not be permitted access to any of the framework pricing documents. This should be addressed via local governance/conflict of interest management arrangements. Continuing Healthcare Solutions who are one of CHC Direct's partner organizations is affiliated with Farley Dwek Solicitors Ltd. Farley Dwek Solicitors are specialist providers of legal services in relation to issues arising around care home and nursing home funding in England and Wales. All assessment activity will be managed separately by the organisations and any future potential or actual conflicts of interest relating to this relationship will be raised with the CCG directly. Confirmation of this is a conditions precedent to contract award for CHC Direct. This should be addressed via local governance/conflict of interest management arrangements	Based on the outcomes of the Tender evaluation, concluded as part of the pre-determined evaluation criteria published in the Tender documents, and the recommendation of the Project Board, it was agreed to award a 3 year framework contract with 1 x 24 month optional extension period to: Examworks CHC Direct SAS Continuing Healthcare Limited Southampton Primary Care Limited	There was no specified or allocated contract envelope/budget for this project as the framework is for CCG's to utilise as and when existing services are at capacity. When CCGs need to access the framework for additional support services, budgets will be identified at that time.
